Are you ever stuck without the correct tool or instrument?

Would you like to make servicing your car easier and less time consuming?

Why not take a look at the Tool and Instrument range on offer at A.H. Spares Ltd?

We offer a selection of high quality tools for the professional mechanic that will withstand robust use, along with tools for the DIY enthusiast who requires them for occasional use or in an emergency.

These hand tools are essential for every Austin-Healey owner and can also be useful around the house. At A.H. Spares we appreciate how important your car is and we want you to get the finest results possible.

This is why we sell Gunson, Laser Hand Tools and Kamasa products, which are built to the highest quality and will keep your car running at its best.
