HOD232

Protects and conditions against stains, oxidation and resists weathering including UV inhibitors.

Helps prevent the build up of road grime, salt, leaf gum and bird dirt that can damage your vinyl soft-top material.

Prolongs the life of your vinyl soft top keeping the original showroom finish and the value of your car.

HOD230

For regular cleaning of vinyl soft tops. Freshens appearance and helps to preserve the overall condition.

Removes road grime, salt, leaf gum and bird dirt whilst helping to prevent harmful penetration that can damage your vinyl soft-top material.

HOD234

Restores transparency, removes cloudiness, reduces scratches and staining, plastic headlight lens polish, windows plastic, cleans and conditions in minutes, just rub it on and polish it off.
